

# Nulstilling af Samsung telefon

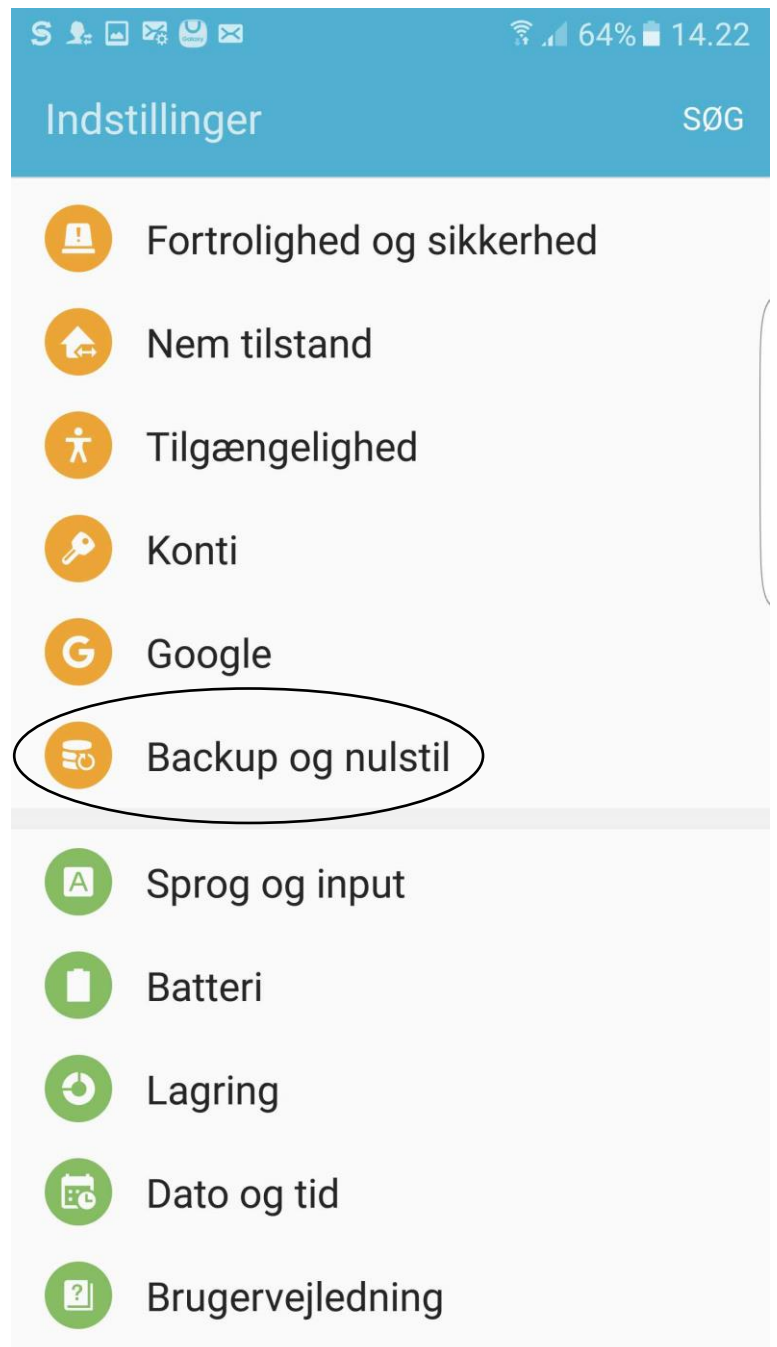

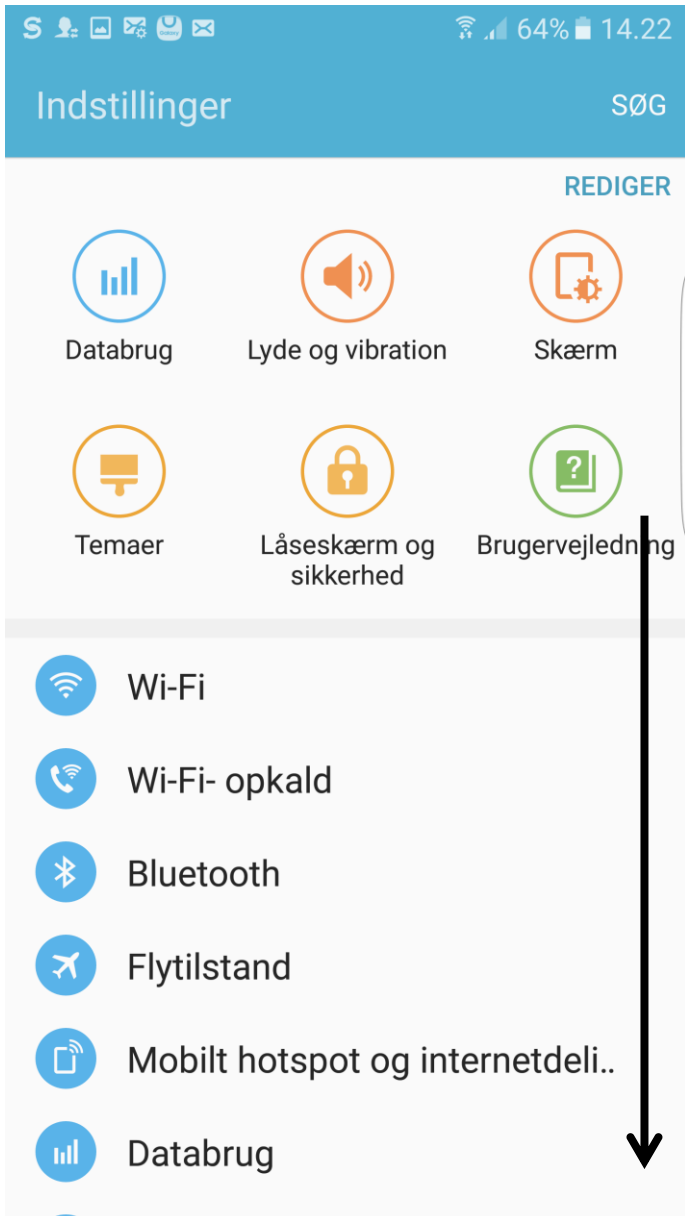

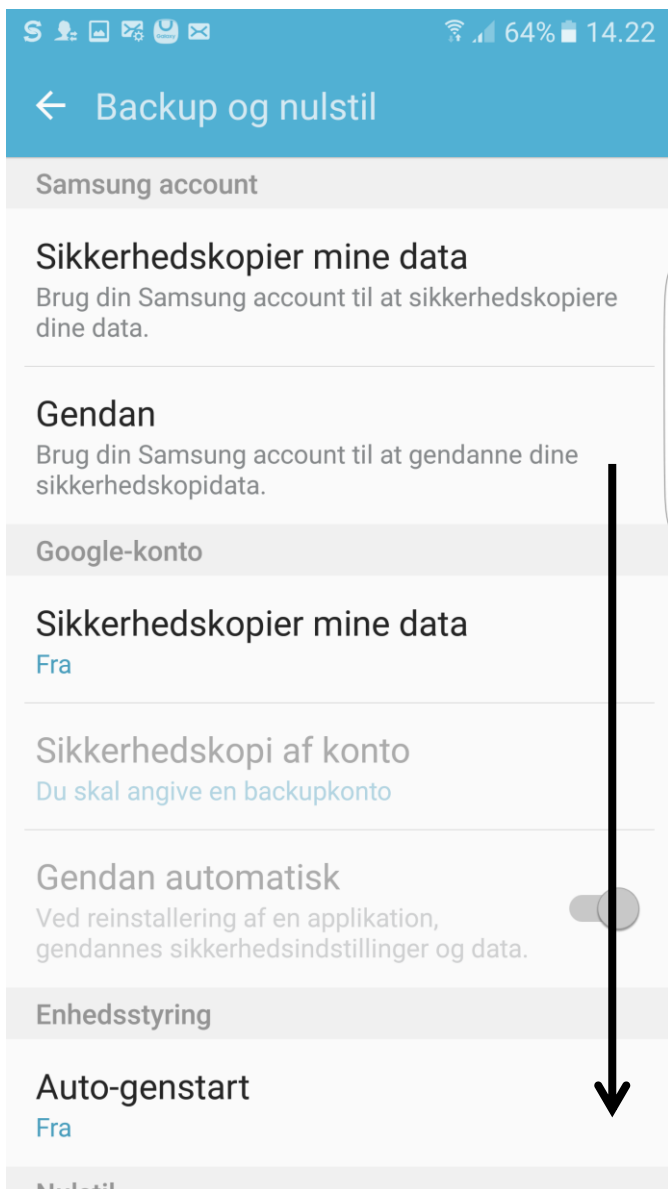

1. Start med at gå ind i Apps menuen.

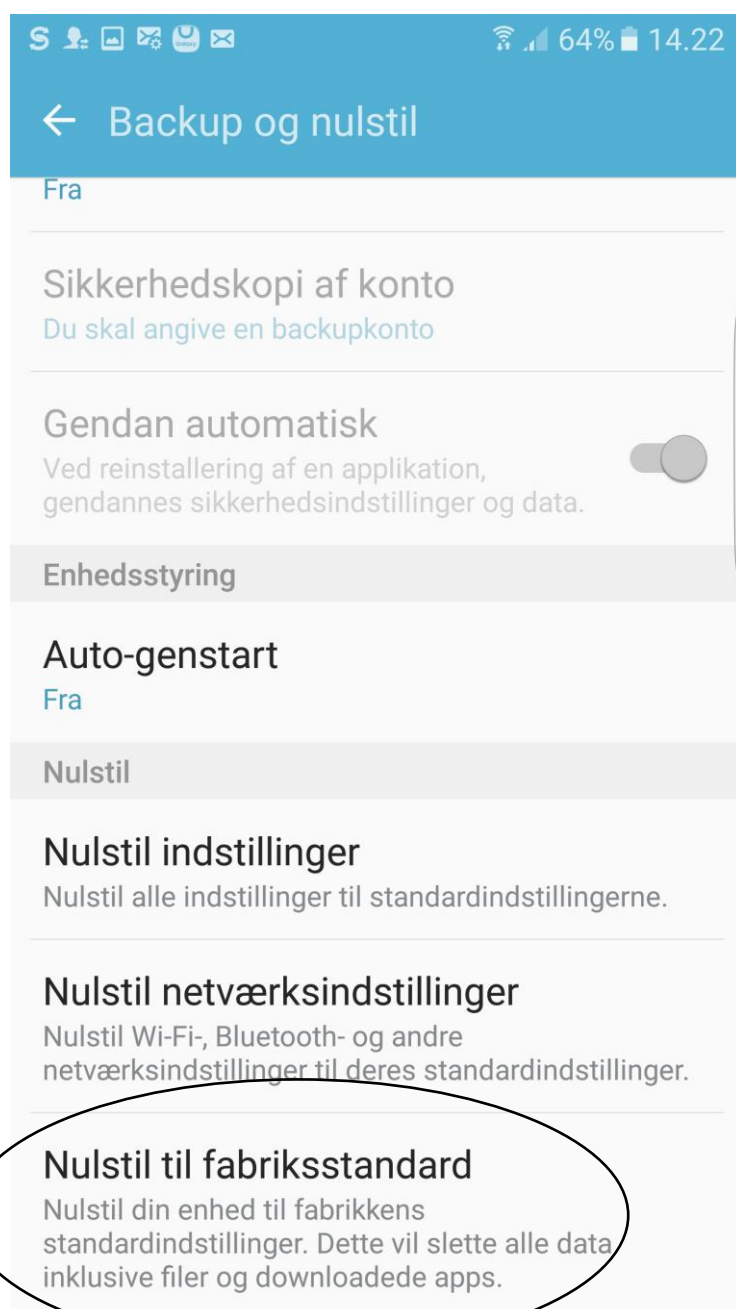

2. Vælg derefter Indstillinger

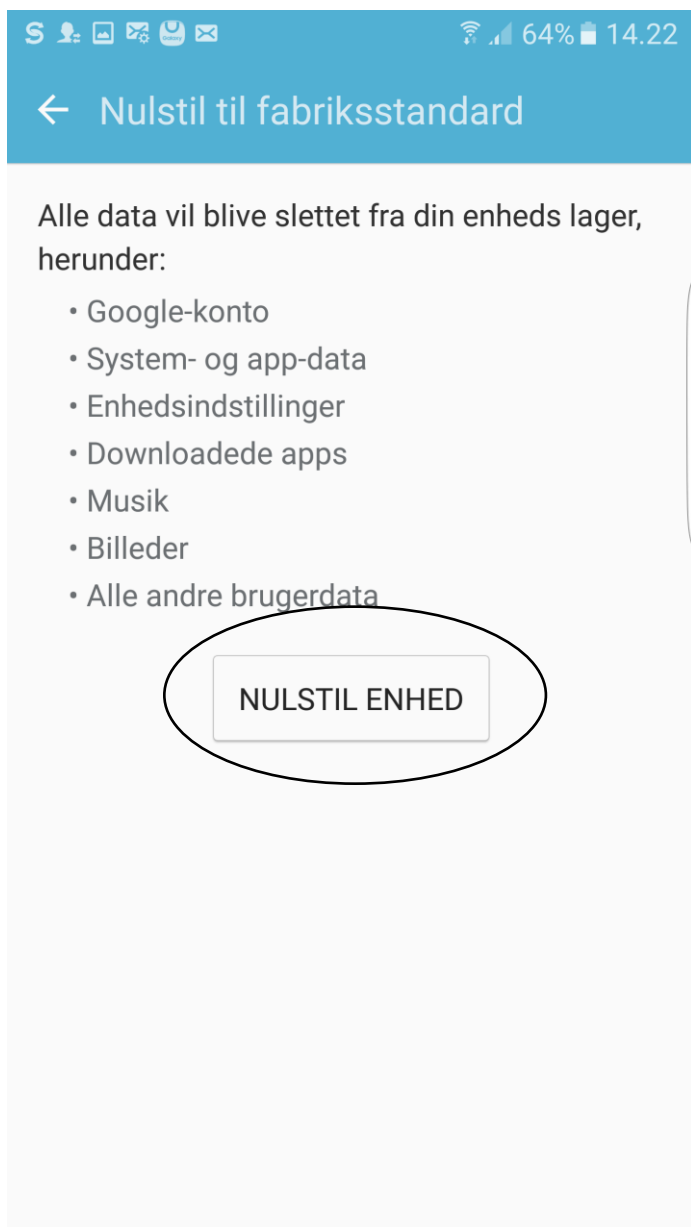

### 3. Swipe derefter ned til Backup og nulstil

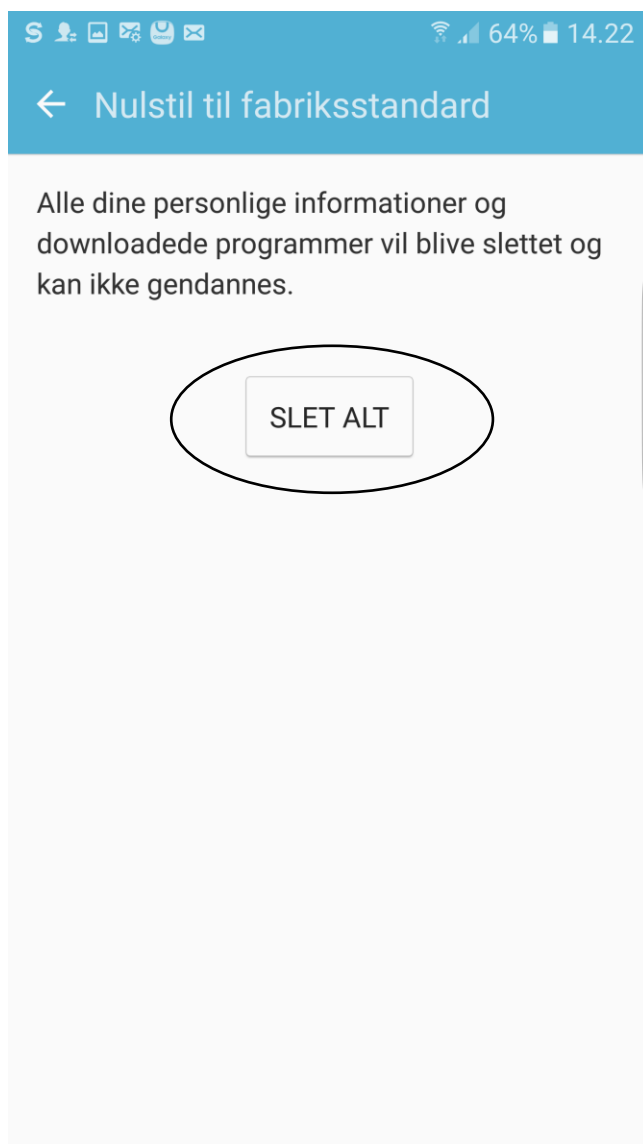

4. Inde i Backup og nulstil swiper man ned til Nulstil til fabriksstandard.

5. Herinde trykker man først Nulstil enhed og derefter Slet alt.

Derefter har du nu nulstillet telefonen.
